CELEBRATING BURLESQUE

Oregon Burlesque Festival is a weekend celebration of performers from around the world.

Now in its 8th year, Oregon Burlesque Festival is a dramatic performance that combines theater, satire, comedy, dance and adult entertainment. Burlesque performers are historically female though it is not limited to gender. Burlesque performers are known to wear elaborate costumes sometimes including large showgirl props, that are stripped off during their performance. Classic burlesque is an homage to performances that were prevalent in burlesque between 1910- early 1960s, utilizing orchestra band instrumental music and extravagant costumes. Oregon Burlesque Festival started in 2013 as a small three day event, to show off and share the elaborate burlesque around the world. It now welcomes guests from the nation and across across the world as far as Australia and has grown to become an exciting full-weekend gathering.

2023 Showcase and Competition

Oregon Burlesque Festival is proud to bring two dazzling days of shows. Our Friday showcase feature local and traveling performers at the historic Alberta Rose Theatre. During these shows, performers display their acts in a non-competitive burlesque production. On Saturday night we have competitive extravaganza. Our performers compete for the title, "Queen of the Roses," "Best Neo," "Keepin' it Weird," "Stayin' Classy," "Most Innovative" and "Wild Card." Performers are judged by a small celebrity panel and awarded at the end of the night.

Raise your company's profile through a marketing partnership with Oregon Burlesque Festival. We have participation levels designed to fit any budget. Our audience is highly targeted and trends towards a somewhat older age group, with disposable income and strong interests in travel, art, music, dining, mixology, shopping, vintage fashion, mid-century design, classic cars, travel and similar pursuits.
